**Please carefully read the contract below regarding the guidelines and provisions for 6<sup>th</sup> grade Pre-Advanced Placement Math.**

- If a student fails to make **a 70 or above on their report card** they will be placed on academic probation. Both the student and parent will be made aware of the academic probation through a letter to the parent and a conference with the student.
- Failure to bring the grade up by the next three weeks will result in the removal of the student from their Pre-AP course.
  - A student can only be on probation *one time* during the school year.
  - If a student's grade is below a 70 a second time on a 9-weeks report card, then the student will be removed from the course.
- Schedule changes are contingent upon availability of space in another math classroom. This may result in a change of schedule for the student. If a student is removed from a Pre-AP course their transfer grade will be provided to the new teacher.
- If a student is removed from an advanced course, they cannot be placed back into the class in the same school year.
- Any schedule change request beyond the grade requirements must be decided through a parent/teacher conference *and* the approval of an administrator.

**Statement of Rigor:** I understand and affirm that I have registered for and am committed to completing my Pre-AP class. I understand that Pre-AP classes are rigorous and challenging by design and that one of the primary goals of these classes is to prepare me for college-level classes at the high school. I understand that I am responsible for any and all assignments, projects, and homework, and I have considered the workload of these classes in light of other commitments and activities I may be involved in. I acknowledge that it is my responsibility to complete all assignments, obtain and complete make-up work on time, and communicate with my teacher. I also understand that I will be removed from my Pre-AP class if I fail to make the required grade. Being removed from my Pre-AP class may result in a complete schedule change.
