

- Enter on Taylor Court (form two lines)
- Volleyball drop-off behind MPC
- All students drop-off at crosswalk
- Exit via drive between Vandagriff E.S. and the Middle School (two lines)

## AMS Traffic Flow

As shown above, cars will enter on Taylor Court. Please note that there are 2 lanes of traffic. If your student is participating in Volleyball tryouts (and later in Volleyball practice), she will need to be dropped off at the back of the MPC. This location is indicated by the first blue arrow. Coaches will be there to greet your athlete. Otherwise, continue down Taylor Court. All other students will unload at the temporary cross walk as indicated on the photo above. If your student needs to go the field house or field, he or she will walk down the coned cross walk all the way to the stadium. Otherwise, he or she will enter the building. Staff will be on-hand to monitor and help students safely enter the building and/or cross walk. All cars will exit between Vandagriff Elementary and Aledo Middle School.
