During the course selection process in the spring semester, students will have the opportunity to add/drop courses they've selected. The last day to make changes to any selected courses, including Pre-AP and AP courses, is the last day of school prior to summer.

After the beginning of the following school year students may change from a Pre-AP or AP course to the regular version of the same course AFTER creating and submitting an Academic Action Plan. The Academic Action Plan is a document used to denote a student's good faith effort to complete class assignments, maintain good attendance, participate in tutorials, etc., indicating a genuine attempt to be successful prior to leaving the higher level course. Once completed and signed by the student, teacher, and parent, the Academic Action Plan can be submitted and a withdrawal from can be obtained. Students who move from a Pre-AP or AP course to an on-level version of the same class will be held responsible for making up all knowledge and skills covered in the on-level class prior to the move. Students not experiencing success in a Pre-AP or AP class will change their schedules at semester to attempt to avoid loss of full credit.

If you fail an EOC test, you will lose an elective choice and be placed in a Bridge EOC class.
