YOU MUST COMPLETE THE FOUR ALTERNATE CHOICES ABOVE.

Please read and initial: Student Initial _____ Parent Initial _____

During the course selection process in the spring semester, students will have the opportunity to add/drop courses they've selected. The last day to make changes to any selected courses, including Advanced, Pre-AP and AP courses, is the last day of school prior to summer.

Advanced, Pre-AP, and AP Courses- Approval for exiting an Advanced, Pre-AP, or AP class will be determined by the student's performance, teacher recommendation, parent approval, and administrator approval. In the event there is not an appropriate course in which to enter, or in the event class loads in other courses are negatively affected, students will be expected to remain in the Advanced, Pre-AP or AP class and do their best until the end of the school year.

- For Advanced, Pre-AP and AP classes, the student may drop the course at the end of the first three weeks, or
- At the end of the first grading period, with parent approval, teacher/parent contact, and administrator approval or
- At the end of the semester, with parent approval, teacher/parent contact, and administrator approval.
- Upon teacher recommendation, students may be allowed to change classes before the designated deadlines(s).
