---

### **2021 - 2022 School Year**

Welcome to English I. I am happy to have you in my class this year! We are going to do some great things in English, but first some house keeping things before we can jump in.

- Contact Protocols:
  - Students, please reach out to me before your parents do.
  - Parents, please include your child's school email in your email. This helps us all stay on the same page when discussing something.
  - All emails will be answered within 24 hours.
  - After hours emails will be answered during the next school day.

I am super excited to have you in my class this year and can not wait to work with you! Parents, working together to help your child become an advocate for themselves, please encourage your student to reach out to me. Whether that be email or coming to talk to me face to face. This will help a lot of back and forth confusion that tends to take place if the student does not reach out first.

I am really excited to meet and get to know each and every one of yall this year!

Mrs. Sifuentes
