GRADES 6-12 DISTANCE LEARNING

School Name	AMS/DNG/AHS
Grade Level	8-11
Week of	5/26/20 Last week of school! No due date (but I'd love to see your artwork or your puzzle solution!)

Latin 1

Estimated Time to Complete: 1 hour
Resources Needed: Google Classroom

Lesson Delivery (What do we want you to learn?):

Students have the skills needed to move directly to Engage and Practice.

Engage and Practice (What do we want you to do?):

This week you have a choice: **WOULD YOU RATHER...** color a Roman mosaic? **OR...** solve a Sudoku puzzle using only Roman numerals?? Access the assignment in Google Classroom and choose your activity.

Create and Submit (What do we want you to turn in?):

- ART OPTION:** Color the mosaic of your choice! You can print it and color by hand, or use your favorite image editing software. Remember that the Romans loved bright colors and patterns :)
- LOGIC OPTION:** You can print this image and fill it out by hand, or you can upload it into Google Slides and use text boxes to insert your answers.

Optional Extension Opportunity (What do we want you to do if you want to extend your learning?):

Have a great summer! Consider studying some Latin notes, if you're bored -- your first quiz next year will be over verb endings, so knowing those should score you an easy A next fall!
