Those that have been summarized. Suggestions for additions and improvements to this handbook are welcome and may be sent to Lynn McKinney, Deputy Superintendent.

This handbook is neither a contract nor a substitute for the official district policy manual. Nor is it intended to alter the at-will status of non-contract employees in any way. Rather, it is a guide and a brief explanation of district policies and procedures related to employment. These policies and procedures can change at any time; these changes shall supersede any handbook provisions that are not compatible with the change. For more information, employees may refer to the policy codes that are associated with handbook topics, confer with their supervisor, or call the appropriate district office. Board of Trustees

Policies BA, BB Series, BD Series & BE Series

Texas law grants the Board of Trustees the power to govern and oversee the management of the District's schools. The board is the policy-making body within the District and has overall responsibility for the curriculum, school taxes, annual budget, employment of the Superintendent and other professional staff, facilities, and expansions. The board has complete and final control over school matters within limits established by state and federal law and regulations.

The Board of Trustees is elected by the citizens of the District to represent the community's commitment to a strong educational program for the District's children. Board members are elected annually by place and serve three-year terms. Board members serve without compensation, must be qualified voters, and must reside in the District. The District outlines the method for Board of Trustee elections in Board [Policy BBB](#) (LOCAL).

Current board members include:

Hoyt Harris, President

Jennifer Taylor

Jessica Brown, Vice President

Julie Turner

Forrest Collins, Secretary

Jennifer Loftin

David Lear

The Board usually meets the third Monday every month at 6:00 p.m. in the boardroom at the Administration Building. Special meetings may be called when necessary. A written notice of regular and special meetings will be posted on the District website and at each campus at least 72 hours before the scheduled meeting time. The written notice will show the date, time, place, and subjects of each meeting. In emergencies, a meeting may be held with a one-hour notice.

All meetings are open to the public. In certain circumstances, Texas law permits the board to go into a closed session from which the public and others are excluded. Closed sessions may occur

for such things as discussing prospective gifts or donations, real property acquisition, certain personnel matters including employee complaints, security matters, student discipline, or to consult with attorneys regarding pending litigation.

EMPLOYMENT

Equal Employment Opportunity

[Policies DAA, DIA](#)

In its efforts to promote nondiscrimination and as required by law, Aledo Independent School District does not discriminate against any employee or applicant for employment because of race, color, religion, sex/gender, pregnancy, age, national origin, disability, military status, genetic information, or on any other basis prohibited by law. Additionally, the District does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Employment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities.

In accordance with Title IX, the district does not discriminate on the basis of sex and is required not to discriminate on the basis of sex in its educational programs or activities. The requirement not to discriminate extends to employment. Inquiries about the application of Title IX may be referred to the district's Title IX coordinator, to the Assistant Secretary for Civil Rights of the Department of Education, or both.

The district designates and authorizes the following employee as the Title IX coordinator for employees to address concerns or inquiries regarding discrimination based on sex, including sexual harassment: *[Lynn McKinney, Deputy Superintendent, 1008 Bailey Ranch Rd, Aledo, TX 76008, lmckinney@aledoisd.org, (817)441-8327]*. Reports can be made at any time and by any person, including during non-business hours, by mail, email, or phone. During district business hours, reports may also be made in person.

The district designates and authorizes the following employee as the ADA/Section 504 coordinator for employees for concerns regarding discrimination on the basis of a disability: *[Margaret Bloodworth, Director of Special Programs, 1008 Bailey Ranch Rd, Aledo, TX 76008, mbloodworth@aledoisd.org, (817)441-8327]*.

Job Vacancy Announcements

[Policy DC](#)

Announcements of job vacancies by position and locations are posted on a regular basis to the District's website., www.aledoisd.org/careers.

Employment after Retirement

[Policy DC](#)

Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed under certain circumstances or on a full or part time basis without affecting their benefits, according to TRS rules and state law. Detailed information about employment after

retirement is available in the TRS publication *Employment After Retirement*. Employees can contact TRS for additional information by calling 800-223-8778 or 512-542-6400. Information is also available on the TRS Website (www.trs.texas.gov).

Contract and Non-contract Employment

Policies DC Series

State law requires the District to employ all full time professional employees in positions requiring a certificate from the State Board for Educator Certification (SBEC) and nurses under probationary or term contracts. Employees in all other positions are employed at will or by a contract that is not subject to the procedures for nonrenewal or termination under Chapter 21 of the Texas Education Code. The paragraphs that follow provide a general description of the employment arrangements used by the District.

Probationary Contracts. Nurses and full-time professional employees new to the District and employed in positions requiring SBEC certification must receive probationary contracts during their first full year of employment. Former employees who are hired after at least a two-year lapse in district employment or employees who move to a position requiring a new class of certification may also be employed on a probationary contract. Probationary contracts are one-year contracts. The probationary period for those who have been employed as a teacher in public education for at least five of the eight years preceding employment with the District may not exceed one school year.

For those with less experience, the probationary period will be three school years (i.e., three one-year contracts) with an optional fourth school year if the board determines it is doubtful whether a term contract should be given.

Term Contracts. Full-time professionals employed in positions requiring certification and nurses will be employed by term contracts after they have successfully completed the probationary period. The terms and conditions of employment are detailed in the contract and employment policies. All employees will receive a copy of their contract. Employment policies can be accessed online or copies will be provided upon request.

Non-certified Professional and Administrative Employees. Employees in professional and administrative positions that do not require SBEC certification (such as SLP, OT, PT) are employed by a one-year contract that is not subject to the provisions for nonrenewal or termination under the Texas Education Code.

Paraprofessional and Auxiliary Employees. All paraprofessional and auxiliary employees, regardless of certification, are employed at will and not by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the District.

Certification and Licenses

[Policies DBA, DF](#)

Professional employees whose positions require SBEC certification or professional license are responsible for taking actions to ensure their credentials do not lapse. Employees must submit documentation that they have passed the required certification exam and/or obtained or renewed their credentials to the Human Resources Office in a timely manner. Employees licensed by the Texas Department of Licensing and Regulations (TDLR) must notify Human Resources when there is action against, or revocation of, their license.

A certified employee's contract may be voided without due process and employment terminated if the individual does not hold a valid certificate or fails to fulfill the requirements necessary to renew or extend a temporary certificate, emergency certificate, probationary certificate, or permit. A contract may also be voided if SBEC suspends or revokes certification because of an individual's failure to comply with criminal history background checks. Contact the Human Resources Office if you have any questions regarding certification or licensure requirements.

Recertification of Employment Authorization

[Policy DC](#)

At the time of hire, all employees must complete the Employment Eligibility Verification Form (Form I-9) and present documents to verify identity and employment authorization.

Employees whose immigration status, employment authorization, or employment authorization documents have expired must present new documents that show current employment authorization. Employees should file the necessary application or petition sufficiently in advance to ensure that they maintain continuous employment authorization or valid employment authorization documents. Contact Sherry Taylor, Human Resources Executive Director, if you have any questions regarding reverification of employment authorization.

Searches and Alcohol and Drug Testing

[Policy DHE](#)

Non-investigatory searches in the workplace including accessing an employee's desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified they have no legitimate expectation of privacy in those places. In addition, the District reserves the right to conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The District may search the employee, the employee's personal items, and work areas including district-owned technology resources, lockers, and private vehicles parked on district premises or work sites or that are used in district business.

Employees Required to Have a Commercial Driver's License.

The purpose of alcohol and drug testing is to ensure safety and prevent accidents and injuries resulting from the misuse of alcohol and drugs by drivers of commercial motor vehicles. Any employee whose duties require a commercial driver's license (CDL) is subject to drug and alcohol testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people, counting the driver; drivers of large vehicles, or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements if their duties include driving a commercial motor vehicle.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct, and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty.

All employees required to have a CDL or who otherwise is subject to alcohol and drug testing will receive a copy of the District's policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs. Employees with questions or concerns relating to alcohol and drug testing policies and related educational material should contact Ranjan George, Director of Transportation.

Employee's Children at Work

[Policies DH](#)

Aledo ISD values its employees and students and recognizes the importance that families fulfill in the lives of employees and students. In order to recognize the liability and avoid disruptions in job responsibilities of the employee for the students in their charge, this policy addresses and outlines the circumstances under which it is appropriate to bring non-student, minor children to the workplace or classroom. The guidelines are intended to foster respect for the needs of all parties impacted by the presence of non-student or minor children on the campus, in the workplace, at school-sponsored events or in the classroom. As used in these guidelines, the term "non-student or minor child" means a minor child who is not enrolled in classes at the parent's or guardian's assigned campus.

In general, the workplace, classroom or while one is on duty are not typically appropriate places for non-student, minor children of an employee to be present on a frequent or continuing basis. This policy includes taking non-student or minor child of parent/guardian on school transportation to/from school events.

Exceptions to this general rule include:

- 1) Official school sponsored/athletic activities for students where minor children are in attendance of another accompanying adult.
- 2) A brief visit, e.g., an employee brings his/her child, grandchild, or other minor relative in to introduce that child to co-workers.
- 3) Special occasions that are employer-sanctioned and at which attendance by children is encouraged. The employee's schedules for the special occasion should take the child's presence into consideration, e.g., take your children to work day.
- 4) In the event of an emergency, and if there are no other alternatives, parent employees may have children present in the workplace for brief periods provided the parent obtains the immediate supervisor's prior approval. Factors the supervisors will consider are the age of the child, how long the child needs to be present, the work environment in the employee's area, and any possible disruption to the employee's and co-workers' work. Consideration will not be given to allowing a child with an illness to come to work with the employee.

Child Development Center

Aledo ISD's Child Development Center is an employee-only childcare center. Children of Aledo ISD employees are encouraged to register. Grandchildren of employees will also be considered if space is available. Aledo ISD CDC will service children 6 weeks to 4 years of age with the exception of those turning 4 before September 1 who will transition to AISD free or tuition-based Pre-K, depending on qualifications. Tuition will be based on classroom placement. A non-refundable Registration fee will be applicable. For details and additional information visit the [Aledo ISD CDC](#) web page, or contact Rebecca Albertson, Director, at ralbertson@aledoisd.org.

Health Safety Training

[Policies DBA, DMA](#)

Certain employees who are involved in physical activities for students must maintain and submit to the district proof of current certification or training in first aid, cardiopulmonary resuscitation (CPR), the use of an automated external defibrillator (AED), concussion, and extracurricular athletic activity safety. Certification or documentation of training must be issued by the American Red Cross, the American Heart Association, University Interscholastic League, or another organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification or documentation to Steve Wood, Athletic Director.

School nurses and employees with regular contact with students must complete a Texas Education Agency approved, online training regarding seizure disorder awareness, recognition, and related first aide.

Reassignments and Transfers

Policy DK

All personnel are subject to assignment and reassignment by the Superintendent or designee when the Superintendent or designee determines that the assignment or reassignment is in the best interest of the District. Reassignment is a transfer to another position, department, or facility that does not necessitate a change in the employment contract. Campus reassignments must be approved by the principal at the receiving campus except when reassignments are due to enrollment shifts or program changes. Extracurricular or supplemental duty assignments may be reassigned at any time unless an extracurricular or supplemental duty assignment is part of a dual-assignment contract. Employees who object to a reassignment may follow the District process for employee complaints as outlined in this handbook and district policy. [DGBA](#)

(LOCAL),DGBA(LEGAL)

An employee with the required qualifications for a position may request a transfer to another campus or department. An employee requesting a transfer to another campus before the school year begins must submit his or her request on their Statement of Intent, which is distributed electronically during early spring. Requests for transfer during the school year will be considered only when the change will not adversely affect students and after a replacement has been found. All transfer requests will be coordinated by the Deputy Superintendent's office and must be approved by the receiving supervisor.

Identification of Reassignment Professionals

The identification of excess teachers and other campus instructional professionals is based on district seniority with some exceptions. These exceptions, in consultation with the Human Resources Department, can include:

- Certification, endorsement, prior experience in content or grade level impacted
- Bilingual ability
- Responsibility for specified initiatives designed in the Campus Improvement Plan
- Extracurricular assignments
- Maintaining balance of veteran and new teachers on campus

Definition of Seniority

Seniority is continuous uninterrupted service with the District, campus, grade level or subject area. A teacher or other campus instructional professional returning to duty following an official leave of absence maintains the system seniority held when the teacher or other campus instructional professional went on leave. Four and one-half months, a full semester more than four calendar months, or 90 actual working days in a school year shall count as a full year for seniority purposes.

Grade-level or Campus-wide Determination

While using district seniority to determine excess staff, elementary principals can either use grade-level or campus-wide distribution of teachers to determine excess status as based on student enrollment projections. Once an elementary principal declares the use of grade-level or

campus-wide distribution, the principal must maintain that same system until the first day of classes. Beginning on the first day of class, the principal may only use grade-level seniority to identify excess teachers.

Proficient Performance

Only teachers and other campus instructional professionals whose performance is at least proficient will be placed on the excess list. Teachers and other campus instructional professionals who are on an intervention plan and/or have been in contractual difficulty for the current school year shall not be placed on the excess list.

Identification and Notification

Principals will identify excess teachers and other campus instructional professionals. The campus principal will provide notification to teachers and other campus instructional professionals who are identified as excess. Employees who object to a reassignment may follow the District process for employee complaints as outlined in this handbook and district policy [DGBA](#) (LOCAL).

Workload and Work Schedules

[Policies, DL, DEAB, DK](#)

Professional Employees. Professional employees and academic administrators are exempt from overtime pay and are employed on a 10, 11, or 12-month basis, according to the work schedules set by the District. A school calendar is adopted each year designating the work schedule for teachers and all school holidays. Notice of work schedules including start and end dates and scheduled holidays will be distributed each school year.

Classroom teachers will have planning periods for instructional preparation, including conferences. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes. The District may require teachers to supervise students during lunch one day a week when no other personnel are available.

Employee Daily Work Schedules & Student Start and End Times:

Student start and end times are as follows:

Elementary	7:40 am	3:10 pm
Middle	8:40 am	4:10 pm

Paraprofessional and Auxiliary Employees. Support employees are employed at will and will receive notification of the required duty days, holidays, and hours of work for their position on an annual basis. Paraprofessional and auxiliary employees are not exempt from overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor (see Overtime Compensation).

Breaks for Expression of Breast Milk

[Policies DEAB, DG](#)

The district supports the practice of expressing breast milk and makes reasonable accommodations for the needs of employees who express breast milk. A place, other than a multiple user bathroom, shielded from view and free from intrusion from other employees and the public, where the employee can express breast milk, will be provided.

A reasonable amount of break time will be provided when the employee has a need to express milk. For nonexempt employees, these breaks are unpaid and are not counted as hours worked. Employees should meet with their supervisor to discuss their needs and arrange break times.

Notification to Parents Regarding Qualifications

[Policies DBA, DK](#)

In schools receiving Title I funds, the district is required by the *Every Student Succeeds Act* (ESSA) to notify parents at the beginning of each school year that they may request information regarding the professional qualifications of their child’s teacher. ESSA also requires that parents be notified if their child has been assigned or taught for four or more consecutive weeks by a teacher who does not meet applicable state certification or licensure requirements.

Texas law requires that parents be notified if their child is assigned for more than 30 consecutive instructional days to a teacher who does not hold an appropriate teaching certificate. This notice is not required if parental notice under ESSA is sent. Inappropriately certified or uncertified teachers include individuals on an emergency permit (including individuals waiting to take a certification exam) and individuals who do not hold any certificate or permit. Information relating

to teacher certification will be made available to the public upon request. Employees who have questions about their certification status can call our Human Resource Department.

Outside Employment and Tutoring

[Policy DBD](#)

Employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the District. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be permitted because of a conflict of interest.

Performance Evaluation

[Policies DN Series](#)

Evaluation of an employee's job performance should be a continual process that focuses on improvement. Performance evaluation is based on an employee's assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the District. Reports, correspondence, and memoranda can also be used to document performance information. All employees will receive a copy of their written evaluation, participate in a performance conference with their supervisor, and have the opportunity to respond to the evaluation.

Upon receiving a report, a nursing review committee may review a nurse's nursing services, qualifications, and quality of patient care, as well as the merits of a complaint concerning a nurse, and a determination or recommendation regarding a complaint. A nurse may request, orally or in writing, a determination by the committee regarding conduct requested of the nurse believed to violate the nurse's duty to a patient.

1) Scheduling of Appraisals

Classroom observations of teachers shall be scheduled by date and time.

2) Appraisal Calendar

The 2022-2023 Appraisal Calendar is as follows: September 6, 2022, is first day that observations can be held; April 28, 2023, is the last day for observations, excluding the last day of instruction before an official school holiday.

3) Probationary Teachers

Written evaluations and other evaluative information need not be considered prior to a decision to terminate a probationary contract at the end of a contract term.

4) Employment Decisions

When relevant to decisions regarding term contracts, written evaluations of a teacher's performance, as documented to date, and any other information the administration deems appropriate, shall be considered in decisions affecting contract status.

5) Grievance

A teacher, principal or employee may formally grieve his/her T-TESS/T-PESS/Position appraisal by following procedures in Board [Policy DGBA \(LOCAL\)](#).

Employee Involvement

[Policies BQA, BQB](#)

At both the campus and district levels, Aledo ISD offers opportunities for input in matters that affect employees and influence the instructional effectiveness of the District. As part of the District's planning and decision-making process, employees are elected to serve on district or campus-level advisory committees. Plans and detailed information about the shared decision-making process are available in each campus office or from the Deputy Superintendent.

Staff Development

[Policy DMA](#)

Staff development activities are organized to meet the needs of employees and the district. Staff development for instructional personnel is district and campus-based, related to achieving performance objectives, and addressed in the campus improvement plans, which is developed and approved by campus and district-level advisory committees. Staff development for non-instructional personnel is designed to meet specific licensing requirements (e.g., bus drivers) and continued employee skill development.

Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours and maintaining appropriate documentation.

COMPENSATION AND BENEFITS

Salaries, Wages, and Stipends

[Policies DEA, DEAA, DEAB](#)

Employees are paid in accordance with administrative guidelines and an established pay structure. The District's pay plans are reviewed by the administration each year and adjusted as needed. All district positions are classified as exempt or nonexempt according to federal law. Professional employees and academic administrators are generally classified as exempt and are paid monthly salaries. They are not entitled to overtime compensation. Other employees are generally classified as nonexempt and are paid an hourly wage or salary and receive compensatory time or overtime pay for each hour worked beyond 40 in a workweek. (See **Overtime Compensation**.)

All employees will receive written notice of their pay and work schedules at the start of each school year. Classroom teachers, full-time librarians, full-time nurses, and full-time counselors will be paid no less than the minimum state salary schedule. Contract employees who perform

extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the District's extra-duty pay schedule.

Employees should contact the Payroll Office at 817-441-5111 for more information about the District's pay schedules or their own pay.

Paychecks

All employees are paid monthly. Payroll is direct deposited. Payroll information will not be released to any person other than the District employee without the employee's written authorization. An employee's payroll statement contains detailed information including deductions, withholding information, and the amount of leave accumulated.

Direct Payroll Deposit

Employees will have their paychecks electronically deposited into an account at their bank of choice. A notification period of 30 days is necessary to activate this service. Contact the Payroll Office at 817-441-5111 for more information about the direct payroll deposit service.

Payroll Deductions

Policy CFEA

The district is required to make the following automatic payroll deductions:

- Teacher Retirement System of Texas (TRS) or Social Security employee contributions
- Federal income tax required for all full-time employees
- Medicare tax (applicable only to employees hired after March 31, 1986)
- Child support and spousal maintenance, if applicable
- Delinquent federal education loan payments, if applicable

Other payroll deductions

- employees may elect include deductions for the employee's share of premiums for health, dental, life, and vision insurance; annuities; and higher education savings plans or prepaid tuition programs. Employees also may request payroll deduction for payment of membership dues to professional organizations and certain charitable contributions approved by the board.
- Salary deductions are automatically made for unauthorized or unpaid leave.
- When the District incurs in the expenses associated with the fingerprints process and the employee leaves before working a total of 90- days or more, the district will deduct from the employee's final paycheck the fees associated with this process.

Timekeeping

It is required that all auxiliary and paraprofessional (hourly and non-exempt) employees utilize the electronic time-keeping system Time & Attendance thru Frontline to track their time worked. It is imperative that all hourly and non-exempt employees use the electronic time clock to punch in and out on a daily basis as your pay is calculated directly from your clocked hours. In the case of a paraprofessional, while you may not be paid "directly" from hours clocked, the Human Resources office uses the electronic records to track leave and overtime (see **Overtime Compensation**).

All non-exempt employees are required to work, at a minimum, their regularly scheduled weekly hours and are compensated at one and one-half times their hourly rate for any time worked in excess of 40 hours in a given week. The electronic system provides the required documentation to ensure accurate record-keeping for all employee overtime and personal and staff development leave and promotes effective and efficient use of Frontline's Time & Attendance, the district's timekeeping system.

In order to ensure consistency of treatment for all auxiliary and paraprofessional staff, the data recorded in the electronic system shall be considered as the "official" record of the workday. Any disputes over actual hours worked or attendance will be resolved by referring to the official electronic records. In order for the electronic timekeeping system to work as intended, all non-exempt employees must participate. Outlined below are some important rules.

AISD ID Badge

All employees are assigned an ID Badge upon hire. Hourly and non-exempt employees shall use the provided ID Badge to clock in at the time clock (kiosk) location. A non-exempt employee can also clock in and out using a personal device such as computer or cellular phone if they are within the District's IP address of their building location.

Daily Clock-in/Clock-out

It is required that **all** non-exempt employees "clock in" upon arrival to work in the morning, "clock out" to go to lunch, "clock in" when returning from lunch, and "clock out" at the end of the workday at their place of work. Under certain conditions, such as a training course at a different location or at a location without an electronic time clock access, the employee shall clock in/out at the different location or be clocked in/out manually by the Campus/Department supervisor or designee. Employees should never work off the clock, even if they are asked to do so by their supervisor. If your supervisor asks you to work off the clock, please notify the Human Resources Executive Director.

Clock Locations

Time & Attendance clocks are located in every building. Please check with the office staff regarding the clock location at your Campus.

Clock Problems

If any employee is unable to clock in or clock out because of a time clock malfunction, it is the employee's responsibility to immediately inform the Campus/Department supervisor or designee. Your Campus shall contact the Technology Department for assistance.

Docked Pay

If non-exempt employees, who are paid on an annualized basis, are absent and have used all their sick days, personal days, etc., their pay shall be docked for the time missed, based on their pay rate.

Duty-Free Lunch

Each eligible employee, based on his or her assignment, must have at least a thirty (30) minute duty-free lunch as follows:

8 hours + ½ hour duty-free lunch = 8 and a 1/2 hour workday

The daily duty-free lunch period is unpaid and the employee may not perform any job duties during this time. No thirty (30) minute lunch or part of a lunch may be used to shorten the beginning or the end of the scheduled 8-hour workday unless approved by the site/campus administrator or supervisor with relation to compensatory time due.

Overtime Compensation

Policy [DEAB](#), [DEC](#)

The District compensates overtime for nonexempt employees in accordance with federal wage and hour laws. Only nonexempt employees (hourly employees and paraprofessional employees)

are entitled to overtime compensation. Nonexempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor.

Overtime is legally defined as all hours worked in excess of 40 hours in a workweek and is not measured by the day or by the employee's regular work schedule. Employees who must work beyond their normal schedule but less than 40 hours per week will be compensated in straight-time pay or equivalent time off in the same workweek. Employees must work more than 40 total hours in a week to earn overtime compensation. For the purpose of calculating overtime, a workweek begins at 12:01 a.m. Monday and ends at midnight Sunday. Nonexempt employees that are paid on a salary basis are paid for a 40-hour workweek and do not earn additional pay unless they work more than 40 hours.

A nonexempt employee must have the approval of his or her supervisor before working overtime. An employee who works overtime without prior approval is subject to discipline.

Employees may be compensated for overtime (i.e. hours beyond 40 hours in a workweek) at time-and-a-half rate with compensatory time off (comp time) or direct pay.

Examples:

Overtime paid as straight time

35 hours physically worked

8 hours out on leave

43 hours paid/accrued at the regular hourly rate

Overtime paid at overtime rate

42 hours physically worked in a given week

2 hours paid out or accrued as compensatory time at a rate of time-and-a-half

The following applies to all nonexempt employees:

- Employees can accumulate up to 60 hours of compensatory time.
- Administrative regulations must be strictly adhered to in compensatory time or overtime.
- Use of comp time may be at the employee's request with supervisor approval as workload permits, or at the supervisor's direction.
- Compensatory time must be used in the duty year in which it is earned.
- An employee is required to use compensatory time before using available paid leave (e.g., sick, personal, vacation).
- Weekly time records will be maintained in Frontline Time & Attendance on all nonexempt employees for the purpose of wage and salary administration.
- Each non-exempt employee will submit their weekly time record through Frontline Time & Attendance

Compensatory Time

In AISD for nonexempt, non-auxiliary employees, hours worked over (40) hours for the workweek will accrue as compensatory (comp) time rather than as overtime pay. Comp time is time off

earned at a rate of one and one-half times the number of hours worked by the employee over a regular forty (40) hour workweek.

Compensatory time may be used at the employee's or the District's option; however, compensatory time must be used in compliance with this Handbook and District's DEC regulations and such use may not unduly disrupt the operations of the District. If an employee's use of compensatory time requires the employment of a substitute or extra part time personnel, the use of compensatory time must be pre-approved. The District may also require an employee to use compensatory time when in the best interest of the District. Likewise, the District may require an employee to use compensatory time first when an employee has both accumulated compensatory time and paid leave available in a school year.

Calculating Worked Hours

Actual hours worked are crucial in determining eligibility for overtime and compensatory time. All time spent in physical or mental exertion performing job-related activities which are controlled and/or required by the District is considered worked time. Holidays, Sick Leave, Compensatory Time, Vacation Days, and Bad Weather Days are considered non-work time in the calculation of overtime and compensatory time. These non-work hours will be deducted from the standard workweek period prior to the calculation of any overtime and compensatory time earned. Therefore, if a nonexempt employee works more than eight hours a day during the AISD workweek but does not work over 40 hours for the week, the employee is not entitled to overtime and compensatory time for that week.

Voluntary Occasional & Sporadic Employment

If a nonexempt employee voluntarily, at his or her own option, chooses to perform occasional AISD work or duties, different from his or her regular job or duty, those total hours worked will not be combined for purposes of determining overtime compensation due on the regular, primary job. Employees are free to refuse to perform such work without sanction and without being required to explain or justify the decision.

Record Keeping and Timekeeping

Those employees who are non-exempt are responsible for clocking in/out and reporting missed punches. All administrators and supervisors are responsible for correcting non-exempt employees missed punches, adding time worked not clocked and approving timesheets no less than monthly for all nonexempt personnel. A Time & Attendance electronic timesheet shall be maintained to ensure accurate reporting of **approved** comp time/overtime hours.

Time & Attendance Timekeeping System

It is a job requirement to clock-in and out using the Employee ID Badge and the Time & Attendance electronic kiosk time clocks or web access within Aledo IP WIFI network on Time & Attendance's website to clock in and out.

Failure to comply with these requirements shall be grounds for disciplinary action.

Hourly employees must follow the Time & Attendance/Timekeeping rules and regulations below:

- All hourly employees shall clock-in when starting work and clock out at the end of the workday.
- All hourly employees shall clock-out and back in for their assigned duty free lunch period.
- Employees shall not clock-in later than the start of their schedule, nor clock out before the end of their work schedule, unless authorized to do so.
- All hourly employees leaving their work duties for any reason during the workday must clock out and clock in when returning to their work. All non-work activities must be off the clock.
- Clocking in or out for another employee is strictly forbidden except for the administrator, supervisor, or Time & Attendance/Timekeeper designee.
- Employees shall enter in any absences in ABSENCE MANAGEMENT. It is required that employees account for workdays, holidays, sick days, bereavement days, and any other days during the year either by ABSENCE MANAGEMENT entry or Time & Attendance clock record.
- Employees shall not clock in earlier than 15 minutes before their scheduled starting times unless authorized in advance.
- Employees shall not clock out later than 10 minutes after the end of their work schedule unless authorized to do so.

Failure to follow the above rules shall constitute insubordination and the employee will be subject to disciplinary action.

Record Falsification or Tampering

The following are considered serious offenses subject to discipline, up to and including termination of employment or legal action:

- Interference with the operation of the time clocks or related computing equipment;
- Interference with another employee's use of a time clock;
- Unauthorized alteration of Time & Attendance electronic data;
- Clocking in or out for someone else;
- Falsifying a timesheet record.

Travel Expense Reimbursement

[Policy DEE](#)

Before any travel expenses are incurred by an employee, the employee's supervisor and Business Office must give prior approval. For approved travel outside of ESC Region XI, the District will provide transportation when available or provide for the purchase of fuel. Mileage will not be reimbursed. Employees must submit original receipts to be reimbursed for expenses other than mileage if not paid a per diem rate.

Health, Dental, and Life Insurance

[Policy CRD](#)

Group health insurance coverage is provided through TRS-ActiveCare, the statewide public school employee health insurance program. The District's contribution to employee insurance premiums is determined annually by the Board of Trustees. Employees eligible for health insurance coverage include the following:

- Employees who are active, contributing TRS members.
- Employees who are not contributing TRS members and who are employed for 10 or more regularly scheduled hours per week.

TRS retirees who are enrolled in TRS-Care (retiree health insurance program) are not eligible to participate in TRS-ActiveCare.

The insurance plan year is from September 1 through August 31. Current employees can make changes in their insurance coverage during open enrollment each year or when they experience a qualifying event (e.g., marriage, divorce, birth). Detailed descriptions of insurance coverage, employee cost, and eligibility requirements are provided to all employees in a separate booklet. Employees should contact the Payroll/Benefits Office at (817) 441-5111 for more information.

Supplemental Insurance Benefits

[Policy CRD](#)

At their own expense, employees may enroll in supplemental voluntary insurance programs. Premiums for these programs can be paid by payroll deduction. Employees should refer to their benefits booklet and contact the Payroll Office at 817-441-5111 for more information.

Cafeteria Plan Benefits (Section 125)

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, must either accept or reject this benefit. This plan enables eligible employees to pay certain insurance premiums on a pretax basis (i.e., disability, accidental death and dismemberment, cancer and disease, dental and additional term life insurance). A third-party administrator handles employee claims made on these accounts.

New employees must accept or reject this benefit during their first 30 days of employment. All employees must accept or reject this benefit on an annual basis and during the specified time period.

Worker's Compensation Insurance

[Policy CRE](#)

The District, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job. The District has worker's compensation coverage from Public Worker's Compensation Program, effective September 1, 2015.

Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries should be reported immediately to the employee's supervisor and to Payroll & Benefits Coordinator at 817-441-5111. Employees who are unable to work because of a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code. (See **Workers' Compensation Benefits** for information on use of paid leave for such absences).

Unemployment Compensation Insurance

[Policy CRF](#)

Employees who have been laid off or terminated may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact the Texas Workforce Commission at 1-800-832-2829.

Teacher Retirement

All personnel employed on a regular basis for at least four and one-half months are members of the Texas Teacher Retirement System (TRS). Substitute's not receiving TRS service retirement benefits who work at least 90 days a year are also eligible to purchase a year of creditable service in TRS. TRS provides members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Employees who plan to retire under TRS should notify the Payroll Office as soon as possible. Information on the application procedures for TRS benefits is available from TRS. Inquiries should be addressed to: Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698, or call 1-800-223-8778 or 1-512-542-6400. TRS information is also available on the Web (www.trs.state.tx.us). Refer to **Employment after Retirement** for information on restrictions of employment of retirees in Texas public schools.

Other Benefit Programs

[Policies CRG & FDA](#)

Children of nonresident full time or part time professional district employees and full time service and support district employees may attend district schools tuition-free. In addition, Aledo ISD provides a tuition-based pre-kindergarten program for employee's children three, four, or five years of age. The District offers a Crisis Fund supported by Aledo Education Foundation and Reading Friends. For information on this program, contact Sherry Taylor, Executive Director of Human Resources.

Any employee wishing to participate in an annuity not currently offered through the District must have their company follow district guidelines. Employees should contact Payroll for more information at 817-441-5111.

LEAVES AND ABSENCES

[Policy DEC, DECA, DECB](#), and [DED](#)

The District offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who expect to be absent for an extended period of more than five days should call the Human Resource/Leave Specialist to coordinate with the Payroll Office for information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with the District. Paid leave must be used in ½-day increments.

Leave Proration

Local leave is earned at a rate of ½ day for each 18 workdays of employment and available for use at the beginning of the year. If an employee separates from employment with the District before his or her last duty day of the year, or begins employment after the first duty day, leave will be prorated based on the actual time employed. When an employee separates from employment before the last duty day of the school year, the employee's final paycheck will be reduced by the amount of state personal leave the employee used beyond his or her prorated entitlement for the school year.

Unless an employee requests a different order, available paid state and local leave will be used in the following order:

- local
- state sick
- state personal

Employees who earn comp time must use the accrued compensatory time before using any available paid state and local leave.

Employees must follow district and department or campus procedures to report or request any leave of absence. Employees are required to enter all absences into ABSENCE MANAGEMENT. Pre-planned absences should be entered as soon as possible.

Personal Leave

State law entitles all employees to five days of paid personal leave per year. Personal leave is available for use at the beginning of the year. A day of personal leave is equivalent to an assigned workday. State personal leave accumulates without limit, is transferable to other Texas school districts, and generally transfers to education service centers. Personal leave may be used for two general purposes: nondiscretionary and discretionary.

Nondiscretionary. Leave taken for personal or family illness, family emergency, a death in the family, or active military service is considered nondiscretionary leave. Reasons for this type of leave allow very little, if any, advanced planning. Nondiscretionary leave may be used in the same manner as state sick leave.

Discretionary. Leave taken at an employee's discretion that can be scheduled in advance is considered discretionary leave. An employee wishing to take discretionary personal leave must submit a request to his or her principal or supervisor three days in advance of the anticipated absence. Discretionary personal leave will be granted on a first-come, first-served basis. The effect of the employee's absence on the educational program or department operations, as well as the availability of substitutes, will be considered by the principal or supervisor.

Limitations on Discretionary Leave. Discretionary personal leave may not be taken for more than three consecutive days and/or when it affects the following listed below *:

- 1) The last working day before a school holiday**
- 2) The first working day after a school holiday**
- 3) A staff development day, teacher workday, or early release day***
- 4) A day scheduled for end-of-class or end-of-year semester exams. Any day the campus is affected by state-mandated assessments or District-required tests.

** Local and/or state days may not be used to compensate for absences outlined above.*

*** Bad weather days that are not used earlier in the school year are considered school holidays.*

****With the Administrator's approval, employees who have accrued comp time are able to request leave during professional learning or teacher work-days.*

State Sick Leave

State sick leave accumulated before 1995 is available for use and may be transferred to other school districts in Texas. State sick leave can be used only in ½ day increments, except when

coordinated with family and medical leave taken on an intermittent or reduced-schedule basis or when coordinated with workers' compensation benefits.

State sick leave may be used for the following reasons only:

- Employee illness
- Illness in the employee's immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family
- Active Military Service

Local Leave

Local leave shall accumulate to a maximum of 120 workdays. Local leave shall be used according to the terms and conditions of state personal leave.

Vacation Leave

Employees who work a minimum of 236 day will have 80 hours of vacation that is accrued at a rate of 6.667 hours per month as long as the employee works the full 12 months. Vacation must be used during the period in which it is earned and shall not be carried from one period to the next. In the event an employee separation, vacation leave that is accrued but unused will follow payment upon separation that is detailed in Aledo ISD Policy DED (Local).

Sick Leave Bank

The Aledo ISD Sick Leave Bank is established to provide sick leave days to members of the bank who are unable to work because of catastrophic illness. Workdays are requested from the bank when the member has exhausted all of his/her accumulated paid state and local leave days.

The Sick Leave Bank guidelines can be found at www.aledoisd.org on the Human Resources Department page under forms.

For purposes of family and medical leave, the definition of family is limited to spouse, parent, son, or daughter, and next of kin. The definition of each of these are found in Policy DECA (LEGAL). Medical Certification. Employees must follow district and department or campus procedures to report or request any leave of absence and complete the appropriate form or certification. Any employee who is absent more than three days because of a personal or family illness must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and – in the case of personal illness – the employee's fitness to return to work.

The district may require medical certification due to an employee's questionable pattern of absences or when deemed necessary by the supervisor or superintendent. The district may also request medical certification when an employee requests FMLA leave for the employee's serious health condition, a serious health condition of the employee's spouse, parent, or child, or for military caregiver leave.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits covered employers from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and health care providers do not provide any genetic information in any medical certification. 'Genetic information,' as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Continuation of Health Insurance. Employees on an approved leave of absence other than family and medical leave may continue their insurance benefits at their own expense. Health insurance benefits for employees on paid leave and leave designated under the Family and Medical Leave Act will be paid by the district as they were prior to the leave. Otherwise, the District does not pay any portion of insurance premiums for employees who are on unpaid leave.

Under TRS-Active Care rules, an employee is no longer eligible for insurance through the District after six months of unpaid leave other than FML. If an employee's unpaid leave extends for more than six months, the District will provide the employee with notice of COBRA rights.

Peace Officers

Mental Health Leave

A District peace officer who experiences a traumatic event in the scope of employment shall be granted a maximum of 5 (five) days of mental health leave per traumatic event. Such leave shall be provided in accordance with administrative regulations and shall not be deducted from the employee's pay or leave balance.

The Superintendent shall develop regulations regarding mental health leave that address the following:0)

1. Circumstances or reasons under which a peace officer may use mental health leave;
2. Procedures for requesting mental health leave and maintaining the anonymity of the requestor;
3. The administrator authorized to approve requests for mental health leave; and
4. Other procedures deemed necessary for administering this provision.

Quarantine Leave

A District peace officer shall be granted quarantine leave when ordered by the local health authority or the peace officer's supervisor to quarantine or isolate due to possible or known exposure to a communicable disease while on duty. Such leave shall be provided in accordance with administrative regulations and shall not be deducted from the employee's pay or leave balance.

The Superintendent shall develop regulations regarding quarantine leave that address the following;

5. Continuation of all employment benefits and compensation for the duration of the leave;

6. Reimbursement for reasonable costs related to the quarantine; and
7. Other procedures deemed necessary for administering this provision.

Family and Medical Leave (FMLA) – General Provisions

The following text is from the federal notice, *Employee Rights and Responsibilities Under the Family and Medical Leave Act*. Specific information that the district has adopted to implement the FMLA follows this general notice.

Leave Entitlement. The FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- The birth of a child or placement of a child for adoption or foster care;
- To bond with a child (leave must be taken within 1 year of the child’s birth or placement);
- To care for the employee’s spouse, child, or parent who has a qualifying serious health condition;
- For the employee’s own qualifying serious health condition that makes the employee unable to perform the employee’s job;
- For qualifying exigencies related to the foreign deployment of a military member who is the employee’s spouse, child, or parent.

An eligible employee who is a covered servicemember’s spouse, child, parent, or next of kin may also take up to 26 weeks of FMLA leave in a single 12-month period to care for the servicemember with a serious injury or illness.

An employee does not need to use leave in one block. When it is medically necessary or otherwise permitted, employees may take leave intermittently or on a reduced schedule.

Employees may choose, or an employer may require, use of accrued paid leave while taking FMLA leave. If an employee substitutes accrued paid leave for FMLA leave, the employee must comply with the employer’s normal paid leave policies.

Benefits and Protections.

While employees are on FMLA leave, employers must continue health insurance coverage as if the employees were not on leave.

Upon return from FMLA leave, most employees must be restored to the same job or one nearly identical to it with equivalent pay, benefits, and other employment terms and conditions.

An employer may not interfere with an individual’s FMLA rights or retaliate against someone for using or trying to use FMLA leave, opposing any practice made unlawful by the FMLA, or being involved in any proceeding under or related to the FMLA.

Eligibility Requirements.

An employee who works for a covered employer must meet three criteria in order to be eligible for FMLA leave. The employee must:

- Have worked for the employer for at least 12 months;
- Have at least 1,250 hours of service in the 12 months before taking leave*; and
- Work at a location where the employer has at least 50 employees within 75 miles of the employee's worksite.

*Special hours of service eligibility requirements apply to airline flight crew employees.

Employees do not have to share a medical diagnosis but must provide enough information to the employer so it can determine if the leave qualifies for FMLA protection.

Sufficient information could include informing an employer that the employee is or will be unable to perform his or her job functions, that a family member cannot perform daily activities, or that hospitalization or continuing medical treatment is necessary. Employees must inform the employer if the need for leave is for a reason for which FMLA leave was previously taken or certified.

Employers can require a certification or periodic recertification supporting the need for leave. If the employer determines that the certification is incomplete, it must provide a written notice indicating what additional information is required.

Immediate Family. For purposes of leave other than family and medical leave, immediate family is defined as the following:

- Spouse
- Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands in loco parentis.
- Parent, stepparent, parent-in-law, or another individual who stands in loco parentis to the employee.
- Sibling, stepsibling, and sibling-in-law
- Grandparent and grandchild
- Any person residing in the employee's household at the time of illness or death

Requesting Leave

Generally, employees must give 30-days' advance notice of the need for FMLA leave. If it is not possible to give 30-days' notice, an employee must notify the employer as soon as possible and, generally, follow the employer's usual procedures.

Employees do not have to share a medical diagnosis but must provide enough information to the employer so it can determine if the leave qualifies for FMLA protection.

Sufficient information could include informing an employer that the employee is or will be unable to perform his or her job functions, that a family member cannot perform daily activities, or that

hospitalization or continuing medical treatment is necessary. Employees must inform the employer if the need for leave is for a reason for which FMLA leave was previously taken or certified.

Employers can require a certification or periodic recertification supporting the need for leave. If the employer determines that the certification is incomplete, it must provide a written notice indicating what additional information is required.

Employer Responsibilities

Once an employer becomes aware that an employee's need for leave is for a reason that may qualify under the FMLA, the employer must notify the employee if he or she is eligible for FMLA leave and, if eligible, must also provide a notice of rights and responsibilities under the FMLA. If the employee is not eligible, the employer must provide a reason for ineligibility.

Employers must notify its employees if leave will be designated as FMLA leave, and if so, how much leave will be designated as FMLA leave.

Enforcement

Employees may file a complaint with the U.S. Department of Labor, Wage and Hour Division, or may bring a private lawsuit against an employer.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

Local Family and Medical Leave Provisions

Eligible employees can take up to 12 weeks of unpaid leave in the 12-month period measured backward from the date an employee uses FML.

Use of Paid Leave. FML runs concurrently with accrued sick and personal leave, temporary disability leave, compensatory time, assault leave, and absences due to a work-related illness or injury. The District will designate the leave as FML, if applicable, and notify the employee that accumulated leave will run concurrently.

Combined Leave for Spouses. Spouses who are both employed by the District are limited to a combined total of 12 weeks of FML to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military Caregiver leave for spouses is limited to a combined total of 26 weeks.

Intermittent Leave. When medically necessary or in the case of a qualifying exigency, an employee may take leave intermittently in as few as one hour increments or on a reduced

schedule. The district does not permit the use of intermittent or reduced-schedule leave for the care of a newborn child or for adoption or placement of a child with the employee.

Fitness for Duty. An employee that takes FML due to the employee's own serious health condition shall provide, before resuming work, a fitness-for-duty certification from the health care provider. If certification of the employee's ability to perform essential job function is required, the district shall provide a list of essential job functions (e.g., job description) to the employee with the FML designation notice to share with the health care provider.

Reinstatement. An employee returning to work at the end of FML will be returned to the same position held when the leave began or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

In certain cases, instructional employees desiring to return to work at or near the conclusion of a semester may be required to continue on family and medical leave until the end of the semester. The additional time off is not counted against the employee's FML entitlement, and the district will maintain the employees group health insurance and reinstate the employee at the end of the leave according to the procedures outlined in policy (see DECA (LEGAL)).

Failure to Return. If, at the expiration of FML, the employee is able to return to work but chooses not to do so, the district may require the employee to reimburse the district's share of insurance premiums paid during any portion of FML when the employee was on unpaid leave. If the employee fails to return to work for a reason beyond the employee's control, such as a continuing personal or family serious health condition or a spouse being unexpectedly transferred more than 75 miles from the district, the district may not require the employee to reimburse the district's share of premiums paid.

District Contact. Employees that require FML or have questions should contact the Human Resources Leave Specialist for details on eligibility, requirements, and limitations.

Temporary Disability Leave

Certified Employees. Any full-time employee whose position requires certification from the State Board for Educator Certification (SBEC) is eligible for temporary disability leave. The purpose of temporary disability leave is to provide job protection to full-time educators who cannot work for an extended period of time because of a mental or physical disability of a temporary nature. Temporary disability leave must be taken as a continuous block of time. It may not be taken intermittently or on a reduced schedule. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability.

Employees must request approval for temporary disability leave. An employee's notification of need for extended absence due to the employee's own medical condition shall be accepted as a request for temporary disability leave. The request must be accompanied by a physician's statement confirming the employee's inability to work and estimating a probable date of return. If disability leave is approved, the length of leave is no longer than 180 calendar days.

If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the Board of Trustees. The employee may protest the action and present additional evidence of fitness to work.

When an employee is ready to return to work, the Superintendent's office should be notified at least 30 days in advance. The return-to-work notice must be accompanied by a physician's statement confirming that the employee is able to resume regular duties. Certified employees returning from leave will be reinstated to the school to which they were previously assigned if an appropriate position is available. If an appropriate position is not available, the employee may be assigned to another campus, subject to approval of the campus principal. If a position is not available before the end of the school year, the employee will be reinstated to a position at the original campus at the beginning of the following school year.

Workers' Compensation Benefits

An employee absent from duty because of a job-related illness or injury may be eligible for workers' compensation weekly income benefits if the absence exceeds seven calendar days.

An employee receiving workers' compensation wage benefits for a job-related illness or injury may choose to use accumulated sick leave or any other paid leave benefits. An employee choosing to use paid leave will not receive workers' compensation weekly income benefits until all paid leave is exhausted or to the extent that paid leave does not equal the pre-illness or injury wage. If the use of paid leave is not elected, the employee may only receive workers' compensation wage benefits for any absence resulting from a work-related illness or injury, which will not equal your pre-injury wage. Job protection rights will apply for 180 days.

Assault Leave

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An incident involving an assault is a work-related injury and should be immediately reported to Supervisor and Michele Davis, Payroll/Benefits Coordinator.

An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person non-responsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of an employee, the District will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers' compensation benefits. Upon investigation, the District may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available.

Bereavement Leave

Use of state leave and/or local leave for death in the immediate family shall not exceed five workdays per occurrence, subject to the approval of the District.

Jury Duty

[DEC](#), [DG](#)

The district provides paid leave to employees who are summoned to jury duty including service on a grand jury. Employees who report to the court for jury duty may keep any compensation the court provides. An employee should report a summons for jury duty to his or her supervisor as soon as it is received and may be required to provide the district a copy of the summons to document the need for leave.

An employee may be required to report back to work as soon as they are released from jury duty. The supervisor may consider the travel time required and the nature of the individual's position when determining the need to report to work. A copy of the release from jury duty or documentation of time spent at the court may be required.

Compliance with a Subpoena

Employees will be paid while on leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding and will not be required to use personal leave. Employees may be required to submit documentation of their need for leave for court appearances.

Truancy Court Appearances

An employee who is a parent or guardian of a child and any court-appointed guardian ad litem of a child who is required to miss work to attend a truancy court hearing may use personal leave or compensatory time for the absence. Employees who do not have paid leave available will be docked for any absence required because of the court appearance.

Religious Observance

The district will reasonably accommodate an employee's request for absence for a religious holiday or observance. Accommodations such as changes to work schedules or approving a day of absence will be made unless they pose an undue hardship to the district. The employee may use any accumulated personal leave for this purpose. Employees who have exhausted applicable paid leave may be granted an unpaid day of absence.

Military Leave

Paid Leave for Military Service. Any employee who is a member of the Texas National Guard, Texas State Guard, reserve component of the United States Armed Forces, or a member of a state or federally authorized Urban Search and Rescue Team is entitled to paid leave when engaged in authorized training or duty orders by proper authority. Paid military leave is limited to 15 days each fiscal year. In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

Reemployment after Military Leave. Employees who leave the district to enter into the United States uniformed services or who are ordered to active duty as a member of the military force of any state (e.g., National or State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the district will be reemployed provided they can be qualified to perform the required duties. To be eligible for reemployment, employees must provide notice of their obligation or intent to perform military service, provide evidence of honorable discharge or release, and submit an application for reemployment within the time specified by law to Human Resources. In most cases, the length of federal military service cannot exceed five years.

Continuation of Health Insurance. Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact Payroll for details on eligibility, requirements, and limitations.

EMPLOYEE RELATIONS AND COMMUNICATIONS

Employee Recognition and Appreciation

Continuous efforts are made throughout the year to recognize employees who make an extra effort to contribute to the success of the District. Employees are recognized at board meetings, on the District website, and through special events and activities. Aledo ISD conducts various recognition and appreciation programs and activities throughout the Campuses and district level, which include, but are not limited to the Marva Collins Award Ceremony, Circle of Greatness Award Program, and awarding service pins.

District Communications

Throughout the school year, the Communication Department and the Superintendent's Office publish news releases, brochures, fliers, calendars, news releases, and other communication materials. These publications offer employees and the community information pertaining to school activities and achievements. They include the following:

- News Releases – The Community News, Weatherford Democrat, Fort Worth Star Telegram
- AISD Website – District/Campus & Board meeting news, District/Campus calendars and other pertinent resource information.
- Email/Text Messaging – District News/Safety alerts
- Social Media – Official Facebook & Twitter accounts provide news/events information/photos/videos
- AISD Mobile app – Notifications, BearcatWatch Tip Line, Lunch Menus, Calendars, News

COMPLAINTS AND GRIEVANCES

[Policy DGBA](#)

In an effort to hear and resolve employee concerns and complaints in a timely manner and at the lowest administrative level possible, the board has adopted an orderly grievance process.

Employees are encouraged to discuss their concerns or complaints with their supervisors or an appropriate administrator at any time.

The formal process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative grievance procedures are exhausted, employees can bring concerns or complaints to the Board of Trustees. For ease of reference, the district's policy concerning the process of bringing concerns and complaints is as follows:

Discrimination, Harassment & Retaliation

[Policies DH, DIA](#)

Employees shall not engage in prohibited harassment, including sexual harassment, of other employees, unpaid interns, student teachers, or students. While acting in the course of their employment, employees shall not engage in prohibited harassment of other persons including

board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action.

Individuals who believe they have been discriminated or retaliated against or harassed are encouraged to promptly report such incidents to the campus principal, supervisor, or appropriate district official. If the campus principal, supervisor, or district official is the subject of a complaint, the complaint should be made directly to the Superintendent. A complaint against the Superintendent may be made directly to the board. The District's policy that includes definitions and procedures for reporting and investigating discrimination, harassment, and retaliation can be viewed by clicking [DIA \(LOCAL\)](#), [DIA \(LEGAL\)](#).

Harassment of Students

[Policies DH, DHB, FFG, FFH, FFI](#)

Sexual and other harassment of students by employees are forms of discrimination and are prohibited by law. Romantic or inappropriate social relationships between students and district employees are prohibited.

Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus principal or other appropriate district official. Any district employee who suspects or receives direct or indirect notice that a student or group of students has or may have experienced prohibited conduct based on sex, including sexual harassment, of a student shall immediately notify the district's Title IX coordinator, the ADA/Section 504 coordinator, or superintendent and take any other steps required by district policy.

All allegations of prohibited harassment of a student by an employee or adult will be reported to the student's parents and promptly investigated. An employee who knows of or suspects child abuse must also report his or her knowledge or suspicion to the appropriate authorities, as required by law. See **Reporting Suspected Child Abuse** and **Bullying** for additional information.

The District's policy that includes definitions and procedures for reporting and investigating harassment of students can be viewed by clicking [FFH \(LOCAL\)](#), [FFH \(LEGAL\)](#).

The definition of solicitation of a romantic relationship can be viewed by clicking [DF \(LEGAL\)](#)

Reporting Suspected Child Abuse

[Policies DF, DG, DH, FFG, GRA](#)

All employees are required by state law to report any suspected child abuse or neglect, as defined by Texas Family Code §261.001, to a law enforcement agency, Child Protective Services (CPS), or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering a facility) within 48 hours of the event that led to the suspicion. Alleged abuse or neglect involving a person responsible for the care, custody, or welfare of the child (including a teacher) must be reported to CPS.

Employees are also required to make a report if they have cause to believe that an adult was a victim of abuse or neglect as a child, and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child, elderly person, or person with a disability.

Reports to Child Protective Services can be made online at <https://txabusehotline.org/Login/Default.aspx> to the Texas Abuse Hotline (800-252-5400). State law specifies that an employee may not delegate to or rely on another person or administrator to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the district is prohibited from taking an adverse employment action against a certified or licensed professional who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to report suspected child abuse may result in prosecution as a Class A misdemeanor. The offense of failure to report by a professional may be a state jail felony if it is shown the individual intended to conceal the abuse or neglect. In addition, a certified employee's failure to report suspected child abuse may result in disciplinary procedures by SBEC for a violation of the Texas Educators' Code of Ethics.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to the principal before making a report to the appropriate agency.

Reporting the concern to the principal does not relieve the employee of the requirement to report it to the appropriate state agency. In addition, employees must cooperate with investigators of child abuse and neglect. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

Sexual Abuse and Maltreatment of Children

The District has established a plan for addressing sexual abuse and other maltreatment of children, which may be accessed at Board Policy [BQ \(LEGAL\)](#) and [BQ \(LOCAL\)](#). As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused or otherwise maltreated. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is

defined as abuse or neglect. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect following the procedures described above in *Reporting Suspected Child Abuse*.

Reporting Crime

[Policy DG](#)

The Texas Whistleblower Act protects district employees who make good faith reports of violations of law by the District to an appropriate law enforcement authority. The District is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against, an employee who makes a report under the Act. State law also provides employees with the right to report a crime witnessed at the school to any peace officer with authority to investigate the crime.

Scope and Sequence

[Policy DG](#)

If a teacher determines that students need more or less time in a specific area to demonstrate proficiency in the Texas Essential Knowledge and Skills (TEKS) for that subject and grade level, the district will not penalize the teacher for not following the district's scope and sequence. The district may take appropriate action if a teacher does not follow the district's scope and sequence based on documented evidence of a deficiency in classroom instruction. This documentation can be obtained through observation or substantiated and documented third-party information.

Technology Resources

[Policy CQ](#)

The District's technology resources, including its networks, computer systems, email accounts, devices connected to its networks, and all district-owned devices used on or off school property, are primarily for administrative and instructional purposes. Limited personal use is permitted if the use:

- Imposes no tangible cost to the District
- Does not unduly burden the District's computer or network resources
- Has no adverse effect on job performance or on a student's academic performance

Electronic mail transmissions and other use of the technology resources are not confidential and can be monitored at any time to ensure appropriate use.

Employees who are authorized to use the systems are required to abide by the provisions of the District's acceptable use policy and administrative procedures. Failure to do so can result in suspension of access or termination of privileges and may lead to disciplinary action. Employees with questions about computer use and data management can contact the Director of Technology.

Each year, employees are required to sign the Employee **Agreement for Acceptable Use of the Electronic Communications System**, this will be delivered electronically via email during the first week of school for you to review and sign.

Personal Use of Electronic Communication

[Policies CQ & DH](#)

Electronic communication includes all forms of social media, such as text messaging, instant messaging, electronic mail (e-mail), web logs (blogs), wikis, electronic forums (chat rooms), video-sharing websites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, Twitter, LinkedIn, Instagram). Electronic communication also includes all forms of telecommunication such as landlines, cell phones, and web-based applications.

As role models for the District's students, employees are responsible for their public conduct even when they are not acting as district employees. Student Records

[Policy FL](#)

Student records are confidential and are protected from unauthorized inspection or use. Employees should take precautions to maintain the confidentiality of all student records. The following people are the only people who have general access to a student's records:

- Parents: Married, separated, or divorced unless parental rights have been legally terminated and the school has been given a copy of the court order terminating parental rights.
- The student: The rights of parents transfer to a student who turns 18 or is enrolled in an institution of post-secondary education. A district is not prohibited from granting the student access to the student's records before this time.
- School officials with legitimate educational interests.

The student handbook provides parents and students with detailed information on student records. Parents or students who want to review student records should be directed to the campus principal for assistance.

Parent and Student Complaints

[Policy FNG](#)

In an effort to hear and resolve parent and student complaints in a timely manner and at the lowest administrative level possible, the board has adopted orderly processes for handling

complaints on different issues. Any campus office or the Superintendent's office can provide parents and students with information on filing a complaint.

Parents are encouraged to discuss problems or complaints with the teachers or the appropriate administrator at any time. Parents and students with complaints that cannot be resolved to their satisfaction should be directed to the campus principal. The formal complaint process provides parents and students with an opportunity to be heard up to the highest level of management if they are dissatisfied with a principal's response.

Administering Medication to Students

[Policy FFAC](#)

Only designated employees may administer medication, nonprescription medication, and herbal or dietary supplements to students. Exceptions apply to the self-administration of asthma medication, medication for anaphylaxis (e.g., EpiPen®), and medication for diabetes management, if the medication is self-administered in accordance with district policy and procedures. A student who must take any other medication during the school day must bring a written request from his or her parent and the medicine, in its original, properly labeled container. Contact the principal or school nurse for information on procedures that must be followed when administering medication to students.

Student Conduct and Discipline

Policies in the [FN Series](#) and [FO Series](#)

Students are expected to follow the classroom rules, campus rules, and rules listed in the Student Handbook and Student Code of Conduct. Teachers and administrators are responsible for taking disciplinary action based on a range of discipline management strategies that have been adopted by the District. Other employees that have concerns about a particular student's conduct should contact the classroom teacher or campus principal.

Student Attendance

[Policy FEB](#)

Teachers and staff should be familiar with the District's policies and procedures for attendance accounting. These procedures require minor students to have parental consent before they are allowed to leave campus. When absent from school, the student, upon returning to school, must bring a note signed by the parent that describes the reason for the absence. These requirements are addressed in campus training and in the student handbook. Contact the campus principal for additional information.
