

Bearcat Stadium Tailgating Safety Guidelines

Tailgating at Bearcat Stadium is a one of a kind experience in Aledo. In order to foster an atmosphere of safety and enjoyment for all Bearcat Stadium attendees, Aledo ISD established the following safety guidelines for tailgating at the Stadium.

- It is recommended that grassy islands located in the parking lots be used for cooking areas when tailgating.
- Please do not allow children or other guests to throw Frisbees, footballs, etc. in and around parking areas or roadways.
- Please do not block an adjacent parking spot or lane with grills, chairs, or other paraphernalia while tailgating.
- If you use a large vehicle such as an RV for tailgating in a reserved parking area, a minimum of two reserved parking spots must be purchased by the owner of the RV.
- No alcohol or tobacco products are to be used on school district property.
- Please ensure that your tailgating area is clean when finished and that all trash is placed in appropriate trash receptacles.
- Parking lots are not available for tailgating until after 4:30 PM on game days.
