Elements of Effective Instruction 2-day Session (Recommended ALL K-12 Teachers)

CTE ELAR Electives ESL Math Science Social Studies 8/6/2019 (8:00 am to 4:00 pm)

Would you like to learn how to teach grade-level content to English language learners while they are still in the process of mastering the English language? The goal of this session is to acquaint teachers with research-based instruction that enables educators to implement a systematic approach to improving the academic performance of ELLs. Teachers will be provided with the book, Making Content Comprehensible for the English Learner: the SIOP Model.
