

# Set up Exchange ActiveSync on your iPhone, iPad, or iPod touch

## Add your Exchange account

Tap Settings > Passwords & Accounts > Add Account > Exchange.

## Enter your address

Enter your email address, then tap Next. You can also enter an account description.

# Connect to your Exchange Server

After you enter your email address, Configure Manually.

Tap Configure Manually to set up your account with Basic authentication. Enter your email password, then tap Next. You might also be prompted to enter additional server information, which you can get from your Exchange Server administrator.

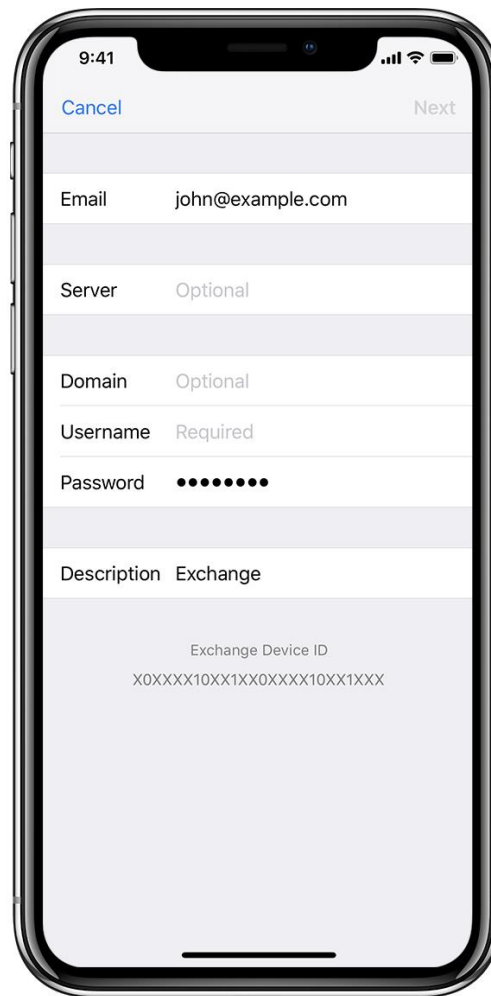

Server: mail.aledo.k12.tx.us

Domain: Aledo

Username: Windows login

Password: password

Description: Aledo ISD

# Sync your content

You can sync Mail, Contacts, Calendars, Reminders, and Notes. When you're finished, tap Save.
