Lesson Delivery (What do we want you to learn?):

We are continuing our Age 20-39 group. The next area we are going to look at is marriage. Getting married is a big decision. I want you to learn about other countries' marriage roles, functions, and rituals.

Engage and Practice (What do we want you to do?):

Research marriage roles, functions, and rituals in a foreign country.
*How is marriage viewed in other cultures?
*How is marriage in other countries different from marriage in the United States?

Create and Submit (What do we want you to turn in?):

Choose one country to research. In your research, include the following:
*Country
*Marriage roles
*Rituals / Traditions
*Functions (do both work, does one stay home, what is expected of the male role and female role)
*Cite your resources
*Anything else you feel necessary to include
