

Aledo Independent School District

GRADES 6-12 DISTANCE LEARNING

School Name	Aledo Middle School
Grade Level	8th Grade Math
Week of	May 11 - 15th, *All assigned work due by Sunday, May 17th at midnight*

8th Grade Mathematics

Estimated Time to Complete: 2 hours

Resources Needed: Google Classroom, BrainPop, Quizizz, Click [HERE](#) for this week's slides.

****All Students will use BrainPop Login: Norman8th and Password: Norman8th****

Lesson Delivery (What do we want you to learn?):

WE WILL solve linear equations in one variable, including those for which the application of the distributive property is necessary and for which variables are included on both sides; Tek A1.5(a)
I WILL Practice distribution and solving two step equations
SO THAT I CAN Increase my mental math skills and have a better understanding of mathematical relationships going into algebra next year.

Engage and Practice (What do we want you to do?):

Watch BrainPop videos to review, work practice out in journal and check the key before taking Quizizz

Create and Submit (What do we want you to turn in?):

Complete Quizizz over Distribution and Solving 2 Step Equations

Optional Extension Opportunity (What do we want you to do if you want to extend your learning?):

Click [here](#) for the week's NEW challenge board extension, this week's is different from previous weeks - check it out!
