

Aledo Independent School District

## GRADES 6-12 DISTANCE LEARNING

<b>School Name</b>	Aledo Middle School
<b>Grade Level</b>	7th and 8th grade Functional Academics
<b>Week of</b>	04/06/20

### (SUBJECT AREA) Week at a Glance

**Objectives for the Week (TEKS):**

**Language Arts :** Students will demonstrate an ability to understand and analyze a variety of written texts.

**Math :** Students will demonstrate an understanding of how to apply and perform operations.

**Science:** The students will demonstrate an understanding of the structures and functions of living organisms.

**Social Studies:** The students will use cardinal and intermediate directions to locate places on maps.

**Lesson Frame:**

We Will: Read grade level informational material.

I Will: Remember one fact that I have learned from my reading.

So That I Can: Continue to learn how to read, do math problems, do science experiments and learn about living organisms, and sequence events in my reading materials.

**Estimated Time to Complete: varies per student**

**Resources Needed: access to google email accounts, access to google classroom**

**Non-Digital Resources: none if able to access internet; ability to access paper copies if not able to access internet**

### Lesson Delivery (What do we want you to learn?):

### Engage and Practice (What do we want you to do?):

### Create and Submit (What do we want you to turn in?):

Aledo Independent School District

**Optional Extension Opportunity (What do we want you to do if you want to extend your learning?):**
